

<p>Staffing For RightSourcing</p>	<p>For RightSourcing, we have collaborated extensively to provide staffing solutions to New York City Health And Hospitals, for various healthcare positions across multiple hospitals in New York City. These facilities include Bellevue Hospital, Elmhurst Hospital, Jacobi Medical Center, and several others.</p> <p>The positions we staffed encompass a wide range of roles to meet diverse operational and patient care needs. These include Registered Nurses (RNs), Certified Nursing Assistants (CNAs), Patient Care Assistants (PCAs), Janitorial staff, Cleaning personnel, and Clerical Assistants. Our efforts have supported RightSourcing in ensuring seamless operations and maintaining high standards of care and service in these healthcare institutions.</p>
<p>Department Of Health And Mental Hygiene</p>	<p>We partnered with the Department of Health and Mental Hygiene (DOHMH) to provide skilled and experienced Registered Nurses (RNs) who played a vital role in improving health outcomes within underserved communities. These RNs were assigned to visit low-income neighborhoods across the city, where they conducted comprehensive health assessments for children.</p> <p>Their responsibilities included measuring and recording Body Mass Index (BMI) for the children, a critical step in identifying potential health concerns such as obesity, malnutrition, or other weight-related issues. These assessments were conducted with the utmost care and professionalism, ensuring that the children and their families felt supported and informed throughout the process.</p> <p>Following the BMI assessments, the RNs prepared detailed and accurate reports for each child. These reports included the collected data, analysis, and any identified health trends or concerns. The compiled information was then submitted to DOHMH to support their ongoing efforts in addressing health disparities and implementing targeted interventions in these</p>

	<p>communities.</p> <p>Our contribution to this initiative highlights our commitment to improving community health and our ability to support organizations like DOHMH in their mission to promote wellness and equity across all populations.</p>
Department Of Social Services	<p>During the height of the COVID-19 pandemic, we partnered with the Department of Social Services (DSS) to provide Registered Nurses (RNs) when the healthcare system faced unprecedented challenges. As fear and uncertainty gripped communities, many healthcare workers were understandably hesitant to remain on the front lines. This resulted in critical staffing shortages at a time when healthcare services were needed the most.</p> <p>Recognizing the urgency of the situation, we stepped in to bridge the gap by supplying highly skilled and dedicated RNs to DSS. These nurses displayed remarkable courage and professionalism, working tirelessly in challenging and often high-risk environments to ensure that essential healthcare services continued uninterrupted.</p> <p>The RNs we provided played a pivotal role in delivering patient care, monitoring symptoms, and supporting COVID-19 containment efforts. They adhered strictly to safety protocols to protect both themselves and the individuals they served, providing reassurance and stability during a time of widespread uncertainty.</p> <p>Our ability to fulfill this contract under such demanding circumstances demonstrated our commitment to supporting public health initiatives, even in the most difficult times. It also highlighted our capability to respond quickly and effectively to staffing emergencies, ensuring that the Department of Social Services could continue its mission of serving the community when it was needed the most.</p>
Aya Healthcare	<p>We proudly partnered with Aya Healthcare to provide comprehensive healthcare staffing solutions across multiple hospitals in various states. Through this collaboration, we supported Aya Healthcare's mission to ensure that</p>

	<p>healthcare facilities across the country had access to highly qualified and dedicated medical professionals, even during periods of high demand.</p> <p>Our services included recruiting and placing healthcare professionals in diverse roles, such as Registered Nurses (RNs), Certified Nursing Assistants (CNAs), Patient Care Assistants (PCAs), and other critical staff. These professionals were deployed to hospitals and healthcare facilities in different states, addressing both temporary and long-term staffing needs.</p> <p>By ensuring the timely delivery of skilled personnel, we enabled hospitals to maintain optimal patient care standards, even in challenging situations. Our partnership with Aya Healthcare demonstrated our capability to meet complex staffing requirements across a broad geographic range, while adhering to stringent compliance and quality standards.</p> <p>This collaboration not only reinforced our commitment to supporting the healthcare industry but also showcased our ability to provide flexible and reliable staffing solutions tailored to the unique needs of each facility and location.</p>
GHR	<p>We proudly partnered with GHR to provide exceptional healthcare staffing services to hospitals and healthcare facilities across New Jersey (NJ) and Pennsylvania (PA). Through this collaboration, we ensured that medical institutions in these states had access to highly skilled and experienced healthcare professionals, even during times of increased demand and staffing shortages.</p> <p>Our staffing solutions included the recruitment and placement of a variety of healthcare roles, such as Registered Nurses (RNs), Certified Nursing Assistants (CNAs), Patient Care Assistants (PCAs), and other essential staff. These professionals were deployed to support patient care operations, meet critical staffing needs, and help maintain the quality of services provided by healthcare facilities in both NJ and PA.</p> <p>By delivering tailored and timely staffing services, we enabled GHR to strengthen its network of healthcare providers and ensure continuity of care in diverse healthcare settings. This partnership</p>

	<p>highlighted our ability to meet regional staffing requirements while upholding the highest standards of quality, compliance, and professionalism.</p> <p>Our collaboration with GHR reflects our ongoing commitment to supporting the healthcare sector with reliable and adaptable workforce solutions, ensuring that healthcare providers in New Jersey and Pennsylvania are equipped to deliver outstanding patient care.</p>
Gotham Per Diem	<p>We are honored to collaborate with Gotham Per Diem as a subcontractor under their contract with the Administration for Children's Services (ACS). This partnership underscores our shared commitment to supporting the critical needs of children and families within the community.</p> <p>As part of this collaboration, we provided highly skilled professionals in various roles, including Childcare Workers, Medical Assistants, and Nurse Practitioners (NPs). These dedicated individuals played a pivotal role in ensuring the well-being, health, and safety of the children and families served by ACS.</p> <p>Our Childcare Workers delivered compassionate care and support, fostering a nurturing environment for children in need. The Medical Assistants ensured seamless coordination of health-related services, providing vital assistance in maintaining the overall wellness of the children. Nurse Practitioners, with their advanced clinical expertise, addressed more complex healthcare needs, ensuring timely medical evaluations and care.</p> <p>This partnership reflects our ability to provide tailored staffing solutions that align with the unique demands of agencies like ACS. By working closely with Gotham Per Diem, we are proud to contribute to their mission of enhancing the lives of vulnerable populations and ensuring that essential services are delivered with excellence and reliability.</p>
Department Of Buildings	<p>We have had the privilege of providing IT Helpdesk staffing services to the Department of Buildings (DOB), supporting their operations with skilled and reliable technical professionals.</p>

	<p>Through this collaboration, we have ensured that the DOB's IT infrastructure remains fully operational, and that their staff receives timely and effective technical support.</p> <p>Our IT Helpdesk personnel have been tasked with resolving a wide range of technical issues, from troubleshooting hardware and software problems to providing assistance with network connectivity and system access. They have also supported the seamless operation of key systems used by the Department, helping to maintain the efficiency and security of their day-to-day functions.</p> <p>By providing highly trained IT Helpdesk staff, we have helped the Department of Buildings keep their technology systems running smoothly, which is critical for the agency's ability to carry out building inspections, permitting, and regulatory services across the city. Our team's dedication and expertise have allowed the DOB to focus on its core mission, confident that their IT support needs are in capable hands.</p>
BOCES	<p>We have had the privilege of partnering with BOCES (Board of Cooperative Educational Services) to provide essential school supplies to support their educational programs across various districts. This collaboration has allowed us to contribute to the success of students and teachers by ensuring that they have access to the necessary tools and resources for effective learning.</p> <p>Through this partnership, we have supplied a wide range of educational materials, including stationery, classroom supplies, and specialized resources tailored to meet the unique needs of BOCES programs. Our focus has been on delivering high-quality products promptly and efficiently, ensuring that classrooms are well-equipped to foster an environment of growth and learning.</p> <p>By working closely with BOCES, we have helped provide a seamless and dependable supply chain for school supplies, which is critical for maintaining an organized, productive, and inspiring learning space. This collaboration underscores our commitment to supporting educational institutions and enhancing the overall learning experience for students and educators alike.</p>

<p>NYC OTI</p>	<p>We have had the opportunity to collaborate with the New York City Office of Technology and Information (OTI) by providing a Senior DevOps Engineer to support their critical infrastructure and software development initiatives. Our partnership has focused on enhancing the OTI's ability to deliver secure, efficient, and scalable technology solutions to the city's various agencies and departments.</p> <p>The Senior DevOps Engineer we provided played a key role in optimizing the OTI's development and operations processes. This involved automating deployment pipelines, managing cloud infrastructure, improving system reliability, and ensuring the seamless integration of development and operational workflows. The engineer also worked to enhance the performance of OTI's systems, contributing to the smooth functioning of key citywide services that rely on technology.</p> <p>By providing this expert-level talent, we supported the OTI in maintaining its high standards for technology delivery and infrastructure management, ultimately enabling the city to better serve its residents through innovative and reliable digital services. Our involvement with the OTI highlights our capacity to provide highly specialized, top-tier technical expertise to meet the needs of public sector organizations in a rapidly evolving technological landscape.</p>
<p>New York City Housing Authority</p>	<p>We have had the privilege of providing moving services to the New York City Housing Authority (NYCHA), supporting their efforts to ensure smooth transitions for residents and maintaining the integrity of their facilities. Our partnership with NYCHA has involved managing large-scale moving operations, assisting with the relocation of residents, and coordinating the transportation of household goods with efficiency and care.</p> <p>Our team has worked closely with NYCHA to handle the logistics of moving services, ensuring that residents' belongings are safely packed, transported, and unpacked in their new homes. This has included coordinating with various NYCHA departments to meet specific needs, adhere to tight schedules, and ensure minimal disruption to residents during the moving process. Additionally, we have been dedicated to maintaining the highest levels of professionalism</p>

	<p>and respect for the community, ensuring that each move is handled with care and sensitivity.</p> <p>By providing reliable and organized moving services, we have contributed to NYCHA's mission of improving the quality of life for its residents and supporting the smooth operation of the housing authority's vast portfolio of properties. Our involvement in this project demonstrates our ability to manage complex logistics while prioritizing customer satisfaction and operational excellence.</p>
Rental Of Various Equipment Services With DCAS	<p>We have had the opportunity to partner with the Department of Citywide Administrative Services (DCAS) to provide the rental of vacuum trucks, supporting the city's efforts to maintain cleanliness and uphold environmental standards across various public facilities and areas. This collaboration has been instrumental in ensuring that DCAS has access to the necessary equipment for efficient waste management and cleanup operations.</p> <p>The vacuum trucks we supplied have been utilized for a wide range of purposes, including street cleaning, debris removal, and the maintenance of public spaces. These specialized vehicles are designed to handle heavy-duty cleaning tasks, making them essential for keeping the city's streets, parks, and facilities in optimal condition. Our team ensured that the trucks were delivered promptly, well-maintained, and ready for immediate use to support the DCAS team in their work.</p> <p>By providing reliable and efficient vacuum trucks, we have helped the Department of Citywide Administrative Services meet the city's cleanliness and environmental standards, contributing to the well-being and aesthetic of New York City. This partnership underscores our commitment to providing high-quality equipment and services that support municipal operations and enhance the city's infrastructure.</p>
